- Quiet and Smooth – Thanks to a DC motor and belt or chain drive
- Innovative Features – Provide the ultimate in safety and convenience

8030/8030H						
3/4 HPc* Power Plus						
	Wall Console	Motor & Gearbox**	Belt**	Chain**	Parts**	Accessory**

*3/4 Horsepower Comparable (HPc) Power Plus designates that this garage door opener exceeds Overhead Door's lifting force specification for 3/4 horsepower garage door openers.
**Limited, non-transferable warranty. See owner's manual for details.

For use with sectional doors up to 14 ft. high and one-piece doors up to 8 ft. high. Ask your Ribbon Distributor about rails for doors larger than 7 ft. high.

Standard features

DC Power

Quiet yet powerful 3/4 HPc* Power Plus DC motor operates with minimal noise.

Speed

Powerhead has a maximum opening speed of up to 9.0 inches per second[§].

Quiet Operation

Belt or chain drive provide smooth and quiet operation, perfect for room adjacent garages that demand minimal noise. Belt drive offers the ultimate in quiet.

Auto Seek Frequency Range

System will automatically seek either the 315 or the 390 frequency produced by a remote, helping to ensure opener will respond regardless of nearby frequency interference.

DoorDetect™ Monitoring and Diagnostic Technology

Delivers the power needed at every movement of the garage door and continuously monitors the operation of the door, stopping operation when significant changes occur. These features minimize noise, wear and tear on the door and improve overall safety.

CodeDodger® 2 Access Security System

The system features advanced technology that prevents piracy of the radio signal that opens your door by selecting a new code from billions of combinations.

Motion Detecting Two-Bulb Lighting System

Motion detecting 100 Watt two-bulb lighting system provides added convenience and safety.

Safe-T-Beam® System

When objects pass through the infrared beam, the door automatically stops closing, and then reverses. The system's self-diagnostic functions alert homeowners of misalignment or damage.

Automobile Convenience Features

Compatible with HomeLink® and Car2U® systems.

§ +/- 0.5 inches per second. Speed will slow with one-piece doors.

Convenience options

Wireless Keypad

Lighted keypad features a flip up cover and lets you control up to three garage door openers. Flip up cover is available in four colors, ensuring you can find the one that best complements your home.

White Gray Tan Almond

Three Button Remotes

These remotes operate up to 3 doors.

Wall Console

The large push buttons make for easy operation and convenient control of the opener light. When away for extended times, the Sure-Lock™ feature disables the remote's access to the garage for security. Easy wall-mount installation.
